### INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying consolidating financial statements of The Friends of Israel Gospel Ministry, Inc., (a nonprofit organization) and Affiliates which comprise the consolidating statement of financial position as of December 31, 2017, and the related consolidating statements of activity and cash flows for the year then ended, and the related notes to the consolidating financial statements.

### Management's Responsibility for the Consolidating Financial Statements

Management is responsible for the preparation and fair presentation of these consolidating financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We did not audit the financial statements of FOI Gospel Ministry Inc.(FOI-Canada), a wholly owned subsidiary, which statements reflect total assets of \$2,852,721(CAD\$) as of December 31, 2017, and total revenues of \$1,204,594 (CAD\$), respectively, for the year then ended. Those statements, which were prepared in accordance with Canadian generally accepted auditing standards as issued by the Accounting Standards Board of Canada, were audited by other auditors, whose report has been furnished to us. We have applied audit procedures on the conversion adjustments to the financial statements of FOI-Canada, which conform those financial statements to accounting principles generally accepted in the United States of America. Our opinion, insofar as it relates to the amounts included for FOI-Canada, prior to these conversion adjustments, is based solely on the report of the other auditors. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidating financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidating financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidating financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the consolidating financial statements referred to above present fairly, in all material respects, the financial position of The Friends of Israel Gospel Ministry, Inc., and Affiliates as of December 31, 2017, and the changes in their net assets and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

### Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidating financial statements as a whole. The supplemental information included in Schedules 1 to 3 is presented for purposes of additional analysis and is not a required part of the consolidating financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidating financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidating financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidating financial statements or to the consolidating financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidating financial statements as a whole.

### NOTES TO THE CONSOLIDATING FINANCIAL STATEMENTS DECEMBER 31, 2017

### 1. Organization:

The Friends of Israel Gospel Ministry, Inc., and Affiliates (the Organization) is a faith ministry founded in 1938 and organized as a not-for-profit religious corporation. It is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Friends of Israel Gospel Ministry, Inc., is a worldwide Christian ministry communicating biblical truth about Israel and the Messiah, while fostering solidarity with the Jewish people. Support and revenues are derived primarily from contributions from the general public and sales of ministry publications.

The Friends of Israel Gospel Ministry, Inc. has a commitment to its ministries in Canada and in Argentina. As affiliates, certain board members and employees of the Friends of Israel Gospel Ministry, Inc. sit on The Friends of Israel Gospel Ministry – Canada (FOI - Canada) board and The Christian Friends of Israel of Argentina board giving the Friends of Israel Gospel Ministry, Inc. a majority voting interest. The Christian Friends of Israel of Argentina receives support from Friends of Israel Gospel Ministry. Per the joint ministries agreement between The Friends of Israel Gospel Ministry, Inc. and FOI-Canada, support may be collected on behalf of the other entity and exchanged on a quarterly basis throughout the year. Therefore, the financial statements of FOI – Canada and Christian Friends of Israel of Argentina are consolidated with The Friends of Israel Gospel Ministry, Inc., collectively referred to in these notes as "the Organization."

### 2. Significant Accounting Policies:

### (a) Basis of Accounting

The accompanying consolidating financial statements have been prepared on the accrual basis and conform to accounting principles generally accepted in the United States of America and in accordance with the principles of not-for-profit accounting.

### (b) Principles of Consolidation

The accompanying consolidating financial statements include the accounts of the Organization. All material inter-organization transactions, if any, have been eliminated in consolidation.

### (c) Cash and Cash Equivalents

For purposes of the consolidating statement of cash flows, the Organization considers cash and cash equivalents to be amounts in checking and savings accounts, cash on hand, and securities purchased with original maturities of three months or less. Certain items meet the definition of cash and cash equivalents but are part of a larger pool of investments and are classified as investments. While at times cash balances may exceed federally insured (FDIC) limits, the Organization has not experienced any losses in such accounts. Management believes it is not exposed to any significant credit risk on these accounts.

### NOTES TO THE CONSOLIDATING FINANCIAL STATEMENTS DECEMBER 31, 2017

### 2. Significant Accounting Policies: (continued)

### (d) Accounts and Other Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances totaling \$32,280 at December 31, 2017. Management believes all receivable balances are collectible; therefore, no provision for uncollectible accounts was made.

Total receivables	<u>\$ 32,885</u>

### (e) Legacies Receivable

Legacies receivable relate to charitable distributions from estates and trusts for which the Organization has been notified of and have gone through probate. Legacies receivable are stated at the amount management expects to collect based on information received. Management believes all receivable balances are collectible; therefore, no provision for uncollectible accounts was made.

### (f) Inventory

Inventory is stated at the lower of cost or net realizable value and consists of various literature, media and other items held for sale and distribution. Cost is determined using the first-in, first-out method.

### (g) Investments and Investment Income

Investments are reported fair value with gains and losses included in the consolidating statement of activities in unrestricted net assets unless a donor or law temporarily or permanently restricts their use. Donated investments are initially recorded at fair value on the date of the gift. Adjustments to the carrying value of the investments are reported in the consolidating statement of activities as a component of realized or unrealized gain (losses), except for adjustments to the carrying value of annuity investments which are reported in the consolidating statement of activities as a component of change in actuarial value of annuities and trusts.

### NOTES TO THE CONSOLIDATING FINANCIAL STATEMENTS DECEMBER 31, 2017

### 2. Significant Accounting Policies: (continued)

### (h) Land, Buildings and Equipment

Property and equipment are capitalized at cost or, if donated, at fair value on the date of donation. Friends of Israel capitalizes assets with a cost basis (or fair value for donated assets) of \$2,000 or greater, and expenditures for repairs and maintenance are expensed when incurred. When items of property and equipment are sold or retired, the related costs and accumulated depreciation are removed from the accounts and any gain or loss is reported as income. Depreciation is recorded on the straight line basis over the following estimated useful lives:

Buildings
Building improvements
Furniture, fixtures, equipment and vehicles
Software

40 years
20 years
5 to 10 years
3 years

### (i) Annuities Payable

The Organization has established a gift annuity plan whereby donors may contribute assets in exchange for the right to receive a fixed dollar annual return during their lifetimes. A portion of the gift annuity is considered to be a charitable contribution at the date of the gift. The difference between the amount provided for the gift annuity and the liability for future payments, determined on an actuarial basis, is recognized as a contribution at the date of the gift. The annuity liability is revalued annually using a discount rate established at the inception of the agreement and appropriate actuarial assumptions. The resulting actuarial gain or loss is recorded as change in actuarial value of annuities in the consolidating statement of activities.

The Organization is required to maintain legally-mandated reserves and investment guidelines for the State of New Jersey. At December 31, 2017, the Organization was in compliance with each of these requirements.

### (i) Charitable Remainder Trusts

The Organization is named as beneficiary of various charitable remainder unitrusts and acts as the trustee. The agreements provide for the payment of lifetime distributions to the grantor or other designated beneficiaries. Upon receipt of these agreements, the actuarially determined present value of future payments is recorded as a liability. The remaining portion of the trust attributable to the Organization's future interest is recorded in the consolidating statement of activities as temporarily restricted contributions in the period received. On an annual basis, the present value of the remaining future liability is revalued based upon actuarial assumptions.

### (k) Classes of Net Assets

The consolidating financial statements report amounts by class of net assets as follows:

Unrestricted net assets are those which include all resources which are not subject to donor-imposed restrictions of a more specific nature than those which only obligate the Organization to

### NOTES TO THE CONSOLIDATING FINANCIAL STATEMENTS DECEMBER 31, 2017

### 2. Significant Accounting Policies: (continued)

### (k) Classes of Net Assets (continued)

utilize the funds in furtherance of its mission, designated by the board for specific use, resources invested in property and equipment and required annuity reserves.

Temporarily restricted net assets carry specific, donor-imposed restrictions on the expenditure or other use of contributed funds. Temporary restrictions may expire either because certain actions are taken by the Organization which fulfill the restrictions or because of the passage of time. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets, with the exception of contributions for missionary support. Contributions for missionary support that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which revenue is recognized.

### (1) Support, Revenue, Expenses and Reclassifications

Support is recognized when contributions are made, which may be when cash is received, unconditional promises are made, or ownership of other assets is transferred to the Organization.

Legacies are recorded as income at the time the Organization has an established right to the legacy and the proceeds are measurable.

The Organization recognizes gifts of cash and other assets as unrestricted support unless they are received with donor stipulations that limit the use of the donated amounts. Temporarily restricted net assets are reclassified to unrestricted net assets and recognized in the consolidating statement of activities as satisfaction of purpose restrictions when a stipulated time restriction ends or purpose restriction is satisfied.

The Organization recognizes gifts of property and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization recognizes expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Revenue is recognized when earned.

Expenses are recognized when incurred in accordance with the accrual basis of accounting. The costs of providing the various program services and supporting activities have been summarized on a functional basis in the consolidating statement of activities. Accordingly, certain costs have been allocated, based on management's estimate, among the program services and supporting activities benefitted. The Organization incurred no joint costs for the years ending December 31, 2017, respectively.

### NOTES TO THE CONSOLIDATING FINANCIAL STATEMENTS DECEMBER 31, 2017

### 2. Significant Accounting Policies: (continued)

### (m) Uncertain Tax Positions

The consolidating financial statement effects of a tax position taken or expected to be taken are recognized in the consolidating financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are reported in expense in the consolidating statement of activities. As of December 31, 2017, Friends of Israel had no uncertain tax positions that qualify for recognition or disclosure in the consolidating financial statements.

### (n) Advertising

The Organization expenses advertising cost as incurred.

### (o) Reclassifications

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements. Approximately, \$11,425 of prepaid expense was reclassified to a contra liability account reducing the mortgage payable reported in the prior year.

### (p) Fair Value Measurement

The Organization reports its fair value measurements using a fair value hierarchy defined by generally accepted accounting principles (GAAP) that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels as of the fair value hierarchy under GAAP are:

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 Quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability;
- Level 3 Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (that is, inputs supported by little or no market activity).

Management of the Organization believes that the organization is in full compliance with the New Jersey Uniform Prudent Management of Institutional Funds Act and the three areas of fiduciary responsibility attributed to the organization and its Board in the handling of invested funds. The Organization has acted in a deliberate and prudent manner in the selection of its investment advisor and avoids conflicts of interest between the organization, Board, and investment advisor. The Organization maintains written policies and procedures setting forth appropriate investment policy. Finally, there are regular reviews and reporting of the performance of the invested funds reflecting comparison to accepted performance standards.

### 8. Beneficial Interest in Perpetual Trust:

The Organization is a 30% beneficiary of a trust held in perpetuity by an independent trustee. Based on the information available, which includes the applicable trust or other distribution documents and the latest available asset valuations, the present value of future distributions was determined and included in the consolidating financial statements in the amount of \$191,417 at December 31, 2017.

Depreciation expense was \$281,801 for the year ended December 31, 2017.

Management has reviewed the assets held in other countries and, in its opinion, has determined that they are under the control and ownership of The Friends of Israel. While for this reason such items are recognized as assets of the Organization, it should be noted that the political situation in many countries is subject to rapid change. Therefore, the reader should be aware that while the Organization believes the assets are properly stated at the date of this report, subsequent changes could occur that would adversely affect the value of the assets in other countries. In addition, it should be understood that the carrying value of the assets in other countries may not be representative of the amount that would be realized should the assets be sold.

### 10. Deferred Compensation:

The Organization has entered into a deferred compensation agreement with one of its former executive directors (and emeritus board member). The annual payout is based on a rate of 43% of the year 2000 salary level of \$98,500 beginning on the first month subsequent to retirement and continues until his passing with no survivor payout. The present value of that obligation is \$195,761 as of December 31, 2017. Beginning in February 2011 the Organization began paying the deferred compensation to this former executive director. These payments amounted to \$42,360 for year ended December 31, 2017.

As of December 31, 2017, the Organization was in compliance with all debt covenants.

In 2017, the Organization retroactively adopted the requirements in FASB ASC 835-30 to restate debt issuance cost as a reduction of the carrying amount of the debt, rather than as an asset.

Notes payable as of December 31, 2016, were previously reported in the statement of financial position as \$811,872 with the associated \$11,425 unamortized debt issuance cost included in other assets.

Amortization of the debt issuance cost is reported as a management and general expense in the statement of activities.

### 12. Board-Designated Net Assets:

The governing board of the Organization has designated 20% of the proceeds from the issuance of promissory notes to be kept in escrow to be used for interest and debt repayment. The balance of the reserve is not to go below one year's interest obligation. The balance of the board-designated reserve was \$378,160 at December 31, 2017.

### 14. Pension Plan:

The Organization maintains a 401(k) retirement plan for eligible employees who work 1,000 hours or more during the year and have been with the organization for more than one year. Participants in the plan vest over a six year period. Each year, the Organization makes a discretionary contribution to the plan for each eligible employee (an amount equal to 10% of an employee's gross earnings for year ending December 31, 2017. The contribution to the plan for the year ending December 31, 2017 was \$314,847 for FOI-USA and \$25,032 for FOI-Canada. The amount of accrued retirement expense for the year is funded in annual contributions to the plan.

The Organization also funds individual retirement accounts for qualified foreign national workers who are not eligible to participate in the 401(k) plan. The contribution to the plan for the year ending December 31, 2017 \$72,170. The amount of accrued retirement expense for the year is funded by the Organization in annual contributions to the accounts.

### 15. Income Status:

As a charity, the Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Organization does not have any income from unrelated business activities and believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the consolidating financial statements.
